

NIHBPSS II

Business and Professional Support Services Contract

Period of Performance: 1 Base Year + 2 Option Years
(Effective January 14, 2019)

NIHBPSS II are multiple award IDIQ contracts that provide business and professional support services on a task order basis to customers across all NIH ICs.

Benefits of Using NIHBPSS II

We brainstormed with the best and the brightest of the NIH community to create this contract in order to increase effectiveness and usability – we listened to your needs

NIHBPSS II provides expertise in business and professional support services through qualified and cost-effective personnel

NIHBPSS II offers a comprehensive scope, which allows you to have a portfolio of services at your fingertips

We work with you on your acquisition timeline from release of the requirement to proposal deadline – so that your schedule is taken into consideration when making an award

How to Place an Order Against NIHBPSS II

1. The IC customer and its COAC create a Task Order Request Package (TORP) using the TORP Form accessible from the NIHBPSS II website.
2. The Task Order CO routes the TORP to the NIHBPSS Program Support Team via email for review and release to contractors.
3. Contractors submit questions and proposals via email.
4. IC customer and its COAC review proposals and select the Awardee.
5. The Task Order CO processes the award and the NIHBPSS II CO emails the award to the Awardee.
